Ellen,

*System for Award Management (SAM)*

As stated in the listing on SAM, they are ineligible to receive new awards until 11/25/2016. All grants specialists, contracting officers and program officers should have a sam.gov account and use it for making determinations at the time of award. Are they withholding making a determination until after they come off of sam or what was the FOIA request for?

Regards,

Hi the PAB stands for the Public Address Book. It is a list of all the grant recipients so we check it to see if an award was made.

There is no record of this entity in our PAB. Without that PAB record, no award could be made.

Thus, I do not find any direct awards to this entity.
